KEY SUMMARY:

Having around 7 years' experience in electrical Industrial automation System

PRESENT DETAILS:

Company : FIREFLY AUTOMATION
Designation : Electrical Low Voltage Engineer
Duration : From May-2020 to still working
Scope : Panel designing & Panel installations & troubleshooting in all kind of electrical Control panels And Plc programming –omron plc

Company : MULTITECH SYSTEM
Designation : Electrical Low Voltage Engineer
Duration : From May-2017 to Sep-2020
Scope : Panel designing & Panel installations & Troubleshooting in all electrical Control panel.

INDIA

Organization : SUMAKAM AUTOMATION TECHNOLOGIES
Designation : Assistant Electrical Engineer
Duration : Feb-2014 to Aug-2015 & Rejoin-Dec-2015 to Nov-2016
Scope : Electrical Design concept Implementation.
Electrical Project Execution and Commissioning

Technical skill:

- Knowledge in panel wiring and trouble shooting
- Knowledge in selection of Ethernet cables (cat-6a & Cat-5e)
- Knowledge in communication protocols(RS232, RS485, ethernet)
- Knowledge in OMRON-PLC, Siemens, AB Plc, Delta plc
- Knowledge in Plc programming -Omron-plc, Delta -plc
- Knowledge in variable frequency drives-(schneider, Delta, Omron
- Knowledge in Electrical low voltage wiring and trouble shooting
- Knowledge in motor selection and finding motor faults
- Knowledge in Excel-software working and word and PPT
- Knowledge in develop a project quotes and Bill of material(BOM)
- Knowledge in switch gears(schneider make)

Project details:

- 610-compressor rig test panel trouble shoot & installation in **wabco** at telephone exchange in ambathur industrial estate.
- Yaskava & Schneider drive installation and programming work done
- Omron servo drive installation & troubleshoot work done.
- Match box –Automation electrical panel project execution & commission work done-
perfect engineering in Madurai.
- Electrical automation panel installation and trouble shoot in Amphenol Pvt.Ltd –
maraimalainagar.

EDUCATION DETAILS

- **B.E ELECTRICAL AND ELECTRONICS ENGINEERING** from **muthayammal engineering college** from Rasipuram in namakkal district with **7.56** CGPA. Passed out from **2013**.
- 12th standard from **st.peter hr. Sec school** from viragalur from trichy district with **percentage 81.56**. passed out for **2009 (state board of Tamil medium)**
- 10th standard from St. John high school from perumpannaiyur in thiruvavarur district with **percentage 75.8**. passed out for **2007 (state board of Tamil medium)**

INTERPERSONAL SKILL:

- Good communication & leadership skill
- Motivate and encourage team members to take part in various activities.

COMPUTER SKILLS

Operating System : Windows 7,8
Software tools : Ms Office and Ms excel, ACAD- Electrical design

PERSONAL DETAILS

FATHER NAME : RAJENDRAN
DATE OF BIRTH : 08/05/1992
NATIONALITY : INDIAN
LANGUAGE : ENGLISH, TAMIL, HINDI
PASSPORT : M8221594
PASSPORT EXPIRY DATE : 09/06/2025

DECLARATION

I hereby declare that the above particulars furnished by me are true to the best of my knowledge and belief.
