

CURRICULUM VITAE

C.JAYAMURUGAN

C/o. Chandrarasu, 61A

Yathava street,

Periyakattusagai,

Anukampattu Post,

Kurinjipadi Taluk,

Cuddalore District-607 301.

Mobile No: +91,9865392278.

Email ID : c.jayamurugan@gmail.com

CAREER OBJECTIVE

Utilize my experience in chemical & api bulk drugs pharmaceutical manufacturing process operation.
& Auto

scada dcs)Operations in Chemical and api & biochemicals Plant to maximize
Availability. Productivity, reliability of the Chemical process and operation. I can surely make good
contribution to any section of the plant.

PROFESSIONAL EXPERIENCE

- 20 Years Experience

NATURE OF WORK

- Operation of CHEMICAL & api bulk drugs PHARMACEUTICAL OPERATION PROCESS.
- AUTO SCADA DCS OPERATION

EDUCATIONAL QUALIFICATION

- **B.Sc (Chemistry)** with an aggregate of 65 % (2003) in Annamalai University College
(Affiliated to Annamalai University- Chidambaram)

- **HSC** From **ST. DAVID HIGHER SECONDARY SCHOOL**, Cuddalore OT (1999) with an aggregate of 60 %.
- **SSLC** From **RAMALINGAR** High School, Subramaniyapuram (1997) with an aggregate of 65 %.

PASSPORT DETAILS

Pass Port No : R0866126

Place of issue : Chennai

Validity : 21/06/2017 – 20/06/2027

ADDITIONAL QULIFICATION

GOVERNMENT OF TAMILNADU

- First Class Boiler Attendant in Chennai, Years 2018.
- Second Class Boiler Attendant in Chennai, Year 2013.
- aadadditional experience knowledge; Boiler Operations & maintenance in power plant & process steam plant,type of Boiler 1,AFBC water tube with superheater Boiler (coal fired Boiler),2,HMT Fire tube Boiler (Oil & Gas fired Boiler),type of wtp;dm&Ro type, to safe operation &monitoring critical parameters & efficient of boiler auto scada dcs& turbine dcs & field

ALL WORK EXPERIENCE:

1. Worked as SHIFT SUPERVISOR PRODUCTION in Pondicherry Alum and Chemicals Ltd., Sipcot Industrial Complex, Cuddalore DT-607 005.

Period : 2nd Jan 2004 to11 th Feb 2006

2. Worked as Senior Operator production Malladi Drugs & api Pharmaceuticals Ltd (tacl)) Sipcot Industrial Complex, Kudikau Village, Cuddalore DT-607 005.

Product; steridel-anti inflammatory drugs(antipyretics)

Period : 20th March 2006 to 31st Aug 2009

3. Worked as PROCTION – CHEMISTRY (Production) indo international fertilizer pvt ltd in Sipcot Industrial Complex, Kudikadu Village, Cuddalore DT-607 005.

Period : 28th january 2010 to 11th February 2016

4. Worked as SENIOR SHIFT SUPERVISOR at Production department Oceanic Tropical Fruits (P) Ltd, Pudhupakkam Village, Mandavai, Marakkanam Taluk, Villupuram DT-604 303.

Period: 13th April 2016 to 14th Jun 2017

5. Worked as a SENIOR EXECUTIVE- production in tex biosciences (P) Ltd, huseinnagaram, perambakkam road, ulundai post, Thiruvallur DT-602 105.

Period : 16th jun 2017 to till date,

ACTIVITY SKILLS

- Maintaining production related document such as Bmr , Bpr, sheets,
- Manufacturing for active pharmaceutical ingredients extract IPAP, MAAPS Poultry Enzyme, protein,
- Preparing sop manual & work instructions for production operation

- Reduce the production costs and production timing
- Experience in solvent extraction plant
- Manufacturing operation chemical & pharmaceutical production facility equipment, critical utility & process & production & laboratory control, record of critical process steps,
- Area equipment qualification records
- Preparation of process validation & cleaning validation protocols, handling all functions pertaining to trail bath management,
- Experience in manufacturing process for active pharmaceutical ingredient/bulk drugs products for stabilization thereby ensuring smooth operations,
- shift operation & all location work for achieving of monthly production Targets, batch startup & monitoring calibration of balance
- Report and Documentation for CGMP, GMP, Audit.
- monitoring & control the quality composition of chemical addition, making sure the internal audits (self-inspection) are performed, making sure that critical deviation & investigated & resolved, it's completed both Production & laboratory control records of critical process steps,

EQUIPMENT HANDLING:

GLR, SS reactors, MSGLR, & bioreactors Spray dryer, Anf, Graphite Condenser, Jaw Crusher, scrubber vacuum, Centrifuge (ss, frp), Rvd, Nuchfilter, tray dryer, Water ejectors, Stem ejector. Bioreactor. Solvent distillation, autoclave, High efficiency distillation column etc..

CHEMICAL PROCESS:

Diazotization, Benzoylation, bromination, amination, Polymerization, Friedel Craft reactions, Dehydration (Friedel Craft alkylation), Fermentation Process,

BIO CHEMICAL process :

Sterilization. fermentation. Formulation, downstream process, upstream process, (synthesis by fermentation method), concentration, metabolic (primary, secondary)

DOCUMENTATION

Documentation maintaining for ISO 9001-2008 Batch production record, Batch manufacturing record, Raw material Stock maintaining, Sop, bmr, bpr, etc..

PERSONAL DETAILS

Name	:	C. JAYAMURUGAN
Father Name	:	K. Chandararasu
Date of Birth	:	17-02-1979
Gender	:	Male
Religion	:	Hindu
Nationality	:	Indian
Marital Status	:	married
Languages Known	:	Tamil & English

DECLARATION

I hereby declare that the details furnished above are true to the best of my knowledge and belief.

Date:

Yours faithfully,

Place:
