PROFILE

Aspiring video editor and Visual Communication student with practical experience in editing through college projects and freelance work. Collaborated with a luxury salon and a branded shirt company in Bangalore to create visually appealing content. Worked as an Assistant Director in a feature film, gaining strong storytelling instincts and on-set experience. A passionate reader and poet, bringing a creative eye and narrative depth to every project. Skilled in editing tools and dedicated to producing high-quality, engaging visuals that align with brand identity.
