

Yashwant Vishwakarma

Software Developer

A Software Engineer in professional life & explorer in personal life. Goal is to understand 'WHY' behind almost everything in life. I am a IT professional with hands-on experience in backend development, front end development. Life long learner & still believe in growing up myself every single day.

PROJECTS

Techsierra.in (12/2023 - 01/2024)

- Developed and designed TechSierra.in, a dynamic web platform utilizing ReactJS, focused on delivering a seamless user experience. Crafted intuitive interfaces and visually engaging designs across diverse pages to cater to various technological needs.

AI Quilter (03/2024 - 04/2024)

- Created AI Quilter dynamic WordPress ecommerce site with WooCommerce, seamlessly merging creativity and functionality. Designed user-friendly interfaces and integrated secure payment gateways, positioning it as a premier destination for quilting enthusiasts.

Blue-Buy (05/2024 - 05/2024)

- Contributed to the design phase of Blue-Buy project in React Native, specifically focusing on Android platform using Expo, ensuring an intuitive and visually appealing user experience.
