Core Competencies

- Financial Planning & Analysis
- Budgeting & Forecasting
- Variance Analysis
- MIS Reporting
- ERP Systems
- Cost Control
- Invoice Validation
- Compliance & Risk Management
- Intercompany Transactions
- Financial Modeling
- Vendor Spend Analysis
- Stakeholder Communication
- Work Breakdown Structure

Profile Summary

- Semi-Qualified Chartered Accountant with over 3 years of diversified experience across financial reporting, budgeting & forecasting, internal audits, and cost control—consistently delivering insights to drive strategic business decisions and operational efficiency.
- Proven expertise in MIS reporting, supporting leadership through accurate variance analysis, KPI monitoring, and timely business intelligence for enhanced performance management.
- Hands-on experience in cross-functional financial operations, including Work Breakdown Structure (WBS) development, vendor spend analysis, and intercompany expense allocations—ensuring fiscal discipline and compliance with internal controls.
- Skilled in financial modeling, scenario analysis, and regulatory reporting, with a deep understanding of statutory compliance, risk mitigation, and audit best practices.
- Technically proficient in ERP systems (SAP, Tally), and Microsoft Excel (Advanced), with a track record of process optimization and automation initiatives contributing to reduced financial discrepancies and improved turnaround time.
- Recognized for analytical acumen and presentation skills, with multiple exemptions in CA-Inter and accolades from ICAI for communication excellence—fluent in four languages and adept at cross-cultural stakeholder collaboration.

Career Timeline

Work Experience

Jul 2023 – Present: Accounts Associate
Apollo Tyres R&D, Chennai

KEY RESULT AREAS

- MIS Reporting: Generating dynamic MIS reports to deliver real-time, data-driven insights that empower strategic decision-making at the leadership level.
- Financial Planning & Analysis (FP&A): Driving budgeting and forecasting cycles by analyzing historical trends, collaborating with cross-functional teams, and ensuring alignment with corporate financial objectives.

- ③ **Intercompany Accounting:** Overseeing cross-charge mechanisms and intercompany expense allocations, maintaining audit readiness and adherence to global financial governance standards.
- ③ **Project Accounting:** Developing and optimizing Work Breakdown Structures (WBS) to facilitate precise project cost tracking, resource allocation, and financial control.
- ③ **Spend Analysis & Procurement Support:** Conducting deep-dive vendor spend analysis and inventory consolidation to inform procurement strategies and enable cost optimization initiatives.
- ③ **Variance Analysis:** Validating financial impact assessments for operational changes and presenting comprehensive variance analyses to senior management for informed review.
- ③ **Expense Management:** Managing petty cash reimbursements and travel claim processes, ensuring compliance with corporate policies and meticulous documentation standards.
- ③ **Financial Modeling:** Supporting strategic decision-making through advanced financial modeling and bespoke ad hoc reporting aligned with business performance metrics.
- ③ **Invoice Validation & Compliance:** Executing rigorous invoice validation protocols to verify compliance with contractual obligations and internal policies, while proactively resolving discrepancies to ensure timely disbursements.

Jul 2022 – Feb 2023: Internal Auditor
Fincare Small Finance Bank, Visakhapatnam

KEY RESULT AREAS

- ③ **Audit & Compliance:** Executed comprehensive branch operations audits encompassing fixed asset verification, physical stock and vault cash reconciliation, and regulatory compliance assessments aligned with RBI directives.
- ③ **Risk & Controls Monitoring:** Oversaw high-value transaction monitoring and procedural adherence to ensure strict compliance with internal policies and external regulatory frameworks, thereby mitigating operational and reputational risks.
- ③ **Process Improvement & Governance:** Diagnosed systemic process inefficiencies and control weaknesses; authored audit observations and proposed strategic remediation measures to fortify the internal control environment and enhance governance standards.

 Articleship

Jul 2017 – Jun 2020: Article Assistant
Rao & Shyam Chartered Accountants, Visakhapatnam

KEY RESULT AREAS

- ③ **Internal Audit Execution:** Executed comprehensive internal audits across manufacturing, retail, and healthcare verticals, evaluating operational controls, risk exposures, and compliance with statutory regulations.
- ③ **Financial Reporting & Taxation:** Compiled and reviewed financial statements, income tax filings, and net worth assessments for both corporate entities and high-net-worth individuals, ensuring alignment with applicable accounting standards and tax laws.
- ③ **Compliance & Reconciliations:** Performed detailed vouching and reconciliations, including GST, TDS, and accounts receivable/payable, to validate financial integrity and detect anomalies.
- ③ **Asset & Inventory Verification:** Facilitated physical verification of fixed assets and inventories, and developed insightful internal audit reports with actionable recommendations for senior management.
